U.S. Women's XC Ski Team Head Coach Matt Whitcomb

Wednesday, November 7 @ 7pm
Amherst Regional High School Library

Matt Whitcomb is a three-time U.S. Olympic Ski Team coach in cross country skiing, and a five-time U.S. Ski and Snowboard International Coach of the Year. He was awarded the United States Olympic Committee's Order of Ikko Award following Kikkan Randall and Jessie Diggins' gold medal performance in the 2018 Olympics.

Matt will share his approach to training and competing in the sport of cross country skiing. He'll talk about working hard as an individual while building strong team culture, and will give us a glimpse into xc skiing at an elite level, on an international stage. Young, old, novice, and expert skiers alike will glean insights from his talk. Come with questions; he looks forward to engaging with the audience.

This event is FREE and open to the public.
